2020 the best of

Where is the best place to buy that special someone a dozen roses? Where is the best place to go when you're craving some barbecue? Who should you call when you need the perfect touch on that five-generation photo?

You'll find the answers to those questions and plenty more in the Harrison Daily Times 2020 Readers' Choice Awards.

The Readers' Choice Awards are just that. Readers weighing in on who's got the best of everything, from pizza to donuts and from furniture to auto body repair.

These awards are an annual winter project for the Harrison Daily Times, and starting late last year, we asked readers to nominate their favorites.

Readers filled out ballots, voting for the best of everything Harrison has to offer, whether that be the best place to take your "fur baby" for a monthly grooming, the best place to give your youngster a shot at being the next Ginger Rogers, or the best place to help you stay on track to keep that new year's resolution of getting in shape (and having fun doing it). Each name on the ballot counted as one vote.

Harrison has a lot to offer in the way of staying healthy, finding that perfect gift, or satisfying your sweet tooth, just to name a few categories, so it proved quite a challenge for our readers to decide on the best place to find that perfect outfit, get their taxes done or to fill up their gas tank and pick up a cup of coffee on the way to work.

The results have been tabulated for you to read and compare how your "best" measured up against your fellow readers.

The Readers' Choice Awards not only lets our readers voice their opinions on businesses in Harrison, it lets businesses know that customers take notice of superior customer service, cleanliness, consistency and a knowledgeable, polite staff.

And the Readers' Choice Is...
